

RETRACTABLE ROOF SYSTEM SEMI CURVE

With a sloped shape, the aesthetics of the semi-curved pergola can be more suitable for your space. It is a wall-mount system designed to boost your alfresco living area, where you can add shade for a comfortable front row to your reserved outdoor space. This system provides a wonderful guard against any weather conditions.

Max Width: 12,000 mm
Max Projection: 10,000 mm
120 sqm Maximum Coverage on a Single System
Optional Lighting System available
