Bayside Awning Centre's Shade Sails are custom designed and manufactured to the highest attention to detail.

Allowing shading and privacy screening in your back yard, deck or balcony, providing the UV protection over spa or swimming pool or carport.

Shade sails is the most versatile custom made shade system.

Bayside Awning Centre uses only quality fabrics for all our products. The range of fabrics is vast with each one designed for a particular use.

Our experts at Bayside Awning Centre will advise you on the most appropriate design and type of fabric to be used on the shade system you have in mind.

Knitted shade fabric  
Filtering sun and  
UV rays
