

Dutch Hood Canopy

Dutch Hood is a permanent fabric covering applied over an aluminium skeletal frame designed to shade your windows or doors.

Dutch Hood Canopy can promote your shop, restaurant or business with added sign writing. Canopies are envied in the domestic or

commercial market for adding that touch of European style to the home or commercial buildings such as motels, hotels, resorts, restaurants, recreational centres, shop fronts, etc.

Dutch Hood Canopy is available in various fabric types from canvas, both traditional or acrylic to woven mesh and PVC coated vinyl-type solid cover suitable for rain protection.

Heavy-duty awning system available custom made to up to 6000mm long with up to 1800mm projection.

Dutch hoods are constructed with extruded aluminium frames and can be covered in a range of fabrics, from canvas, acrylic canvas, shade mesh and PVC coated textiles, for maximum sun and weather protection.

Over 100 colours available to suit any domestic or commercial building environment or to promote a corporate image.

The awnings are designed so if the fabric is damaged or a new colour desired it can be replaced with relative ease.

The components used in Dutch Hoods are designed to be long lasting and low maintenance. These items are made from rust-free extruded anodised aluminium and the PVC components contain ultraviolet stabilised polymers.
